## COME HANG OUT WITH ‘MANDALORIAN’ ANIMATION SUPERVISOR HAL HICKEL

**HE’LL BE SHARING STORIES FROM THE SHOW IN A SPECIAL PREVIEW OF VIEW CONFERENCE.**

I’m excited to announce the details for a special ‘PreVIEW’ session of VIEW Conference that I’ll be hosting with Industrial Light & Magic animation director Hal Hickel. We’re going to be discussing The Mandalorian!

Hickel is an Academy Award winner for *Pirates of the Caribbean: Dead Man’s Chest* and a further three-time Oscar nominee.

For The Mandalorian, he oversaw the animation for all manner of creatures, vehicles and characters, as well as playing a key role in visualizing ILM's miniature and motion-control shots featured in the show.

Our chat will be FREE and online on **Saturday, 27th June at 2.30pm PT / 11:30pm CET / 07:30am+1 Sydney time.**

You can also ask questions via the #viewconference hashtag or by sending them to: [info@viewconference.it](mailto:info@viewconference.it)

You'll be able to watch at <https://www.viewconference.it/pages/mandalorian-hal-hickel>

Meanwhile, the VIEW Conference is on track for taking place in Turin in October, with a number of online sessions also planned.

This event is co-produced by VIEW Conference, OGR and before & afters.
