

# View Conference Announced Online Event

View Conference will host a PreVIEW free online session with the director of The Mandalorian series, Hal Hickel.

[View Conference](#) will start a new season with a preVIEW free online event with [Hal Hickel](#), an award-winning director who has worked on The Mandalorian, and VFX journalist [Ian Failes](#).

During the event, Hal and Ian will discuss the new streaming service Disney+ and the production of popular TV series The Mandalorian that was released last year via service. For the series, Hal specifically worked on the animation and on visualizing the motion-control shots.

The online event will be on June 27. Join the free session [here](#).

The View Conference itself will be held on October 18-23 in Torino, OGR venue and in the online format. Register [now](#). For more information, please, visit [the company's website](#).
