VIEW CONFERENCE announces 2020’s Premier **PreVIEW** online session:

“THE MANDALORIAN” Animation Director HAL HICKEL of Industrial Light & Magic

VIEW CONFERENCE 2020 kicks off its 21st season with a special, FREE, online session.

Hal Hickel -about Disney+’breakthrough and immensely popular television series

“The Mandalorian.” For this series, ILM developed new virtual production technology that made it possible for artists to create feature-film quality animation and visual effects under broadcast television constraints.

The exciting new methods they developed will give filmmakers working on feature films as well as television series unprecedented opportunities.

Hal Hickel- oversaw all the animation for the creatures, vehicles, and characters in 'The Mandalorian' and played a key role in visualizing ILM's miniature/motion-control shots featured in the show.

He has received an Academy Award for Pirates of the Caribbean: Dead Man's Chest is a three-time Oscar nominee and was the animation director for Rango, which received an Oscar for Best Animated Feature.

SAVE THE DATE: Saturday June 27, 2:30 PDT, 23:30 CET, 07:30 (+1) SYDNEY
